

RE: Register Explorers Grand Slam

To: VOB O'Brien

Hi Vanessa,

My apologies for the late reply, I had a minute today to research these items for you.

2015 season - I can confirm that Leifur Svavarsson and Lydur Gudmundsson skied the Last Degree in our 2015 season. They arrived in Union Glacier on 3-Jan and were put out in the field on 4-Jan-2016. They arrived at the South Pole on 10-Jan-2016 and Rob Smith was our South Pole Camp Manager.

2012-season – I can confirm that Leifur did guide for AC on a Last Degree with 2 guests and the names match. They arrived at the South Pole on 29-Dec-2012.

I am working on Julian Evan's as well.

Thanks,
Melanie
